TECHNICAL MEETING

The technical meeting will take place at 13:00pm on Wednesday 30th March at Plymouth Life Centre in meeting room 1 on the 2nd floor.

DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: www.diverecorder.co.uk/onlinesheets and follow the instructions, or
- if you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: www.diverecorder.co.uk/dive/android

As soon as you complete either on-line submission method you will see a success/failure message.

If you experience problems and need assistance please contact Frank Clewlow frank.clewlow@btinternet.com.

Electronic submissions must be made by no later than Midnight on Monday 28th March. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders. If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders. **The deadline for manual dive sheets is at the Technical Meeting.**

REGISTRATION/MEMBERSHIP DEADLINE

Divers should be registered with the ASA 60 days prior to the commencement of the National Event ("The Meet") for which the diver is entering.

Divers must have been registered with the ASA/British Diving since **January 30th 2016** or earlier.

International divers must be a member of their country's diving federation in order to enter.

A maximum of six (6) guest divers, but no more than two (2) per team/country, whose scores are equal to or better than the sixth placed British diver will also proceed to the final. If there are less than 6 British divers then a maximum of 6 guest divers, but no more than two per team/country, will progress to the final. In the final the divers will repeat their optional dives, competing in the reverse order of their preliminary rankings, and the final result will be determined by adding their score from the final to that of the required dives total from the preliminary
- Age Group categories and limits refer to the age of the diver on 31st December in the year of competition
- Minimum age for competitors is 9 years on 31 December in the year of competition
- Synchronised events will be straight finals

All dives of the same number shall be regarded as the same dive.

No dives shall be repeated in any one round.

Only dives in the FINA diving tables or pursuant with the FINA formula may be executed.

The diver and the diver's representative are responsible for the accuracy of the statement in their list and the statement of dives shall be signed by the diver and the diver's representative.

Medals shall be awarded in all GB Diving Championships and Competitions to the first three placed divers in each competition and where different, to the first three placed British divers (see General Conditions for definitions of British).

Please consider the following clauses carefully when selecting events for your divers.

Eligibility

Please refer to the ASA Rules.

To dive Synchro at any GB event, both members of the pair must be diving at least 1 individual event at that Meet.

*Qualification Scores are set by a National Technical Panel and reviewed annually. All scores continue to be recommended scores for **2016**, however it is strongly advised that all coaches encourage their divers to achieve their required score at one or more of the events below:

>>Regional event

>>Last year's National event (as long as they remain in the same age group)

Coaches fielding divers considered by British Diving Managers to be competing at the wrong level, will be approached by one of the British Diving's Managers and given advice on competition selection.

General Competition Conditions for ASA and BS Diving Competitions

- 1: A diver may compete at Skills finals and ASA Age Groups this year if they have been a registered competitor for less than 2 years. If they have been registered for longer than that they need to decide whether to compete at Skills finals or ASA Age groups.
 - 2: Once a diver has competed at ASA National Age Group level they are excluded from competing at future Skills finals, except with written approval from the ASA Diving Committee when moving into the B+ age group.
 - 3: If a diver has competed at Elite Junior Championships they are not eligible to compete at future ASA National Age Groups, except with written approval from the ASA Diving Committee when moving up an age group.
 - 4: If a diver has competed at any Senior Championships in any event (including synchro), they are not eligible to compete at future ASA National Age Group Competitions.
- Failure to comply with these conditions will result in disqualification.
