TECHNICAL MEETING

The technical meeting will take place at 5pm on Thursday 23rd January in Meeting Room 1 on the third floor at Plymouth Life Centre.

DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: www.diverecorder.co.uk/onlinesheets and follow the instructions, or
- if you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: www.diverecorder.co.uk/dive/android

As soon as you complete either on-line submission method, you will see a success/failure message. If you experience problems and need assistance please contact Ann Barker AnnBarker@aol.com

Electronic submissions must be made by Midnight on Wednesday 22nd January. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders. If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders. **The deadline for manual dive sheets is at the Technical Meeting on 23rd January.**

REGISTRATION/MEMBERSHIP DEADLINE

Divers should be registered with the ASA 60 days prior to the commencement of the British Event ("The Meet") for which the diver is entering.

There will be security present at the event and in order to enter both the seating and field of play area you will need accreditation. All divers will be required to submit a **recent passport sized photo** with their online entry. Failure to supply a photograph with the entry forms will result in the entry forms being invalid and therefore not accepted.

Applications for coach/chaperone passes will be charged at £10 per event. **A valid DBS check, coaching and safeguarding qualification is required. Coach pass applications are now open [here](#).**

Applicants are advised the online Disclosure & Barring Service process could take up to 1 month to complete. All applicants must be registered with an ASA affiliated club.

If you hold a disclosure that has been registered with the DBS Update Service, and you have not yet given the ASA written consent to check the status, please submit your original disclosure certificate along with a completed consent form to Sam Massey, Swim England DBS Coordinator. Please email dbs@swimming.org for a DBS Update Service Consent form.

Coaches/Chaperones will not be allowed on poolside without a valid accreditation.

PHOTOGRAPHY POLICY

British Swimming are well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within a British Swimming setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

British Swimming encourage all spectators and participants at British Swimming events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.
