

HOME POOLING

LESSON ELEVEN MEDIA

WELCOME TO THE ELEVENTH LESSON OF OUR HOME POOLING CLASSES

Welcome to the eleventh of our Home Pooling challenges! Each week, we will be releasing a challenge across a variety of subjects for parents and carers to work through with their children at home – with a British Swimming twist to each one.

Once your child/children have completed the relevant tasks, submit their work over social media by tagging @BritishSwimming using the hashtag #HomePooling – and one lucky child from each task will receive a personalised video message from one of our swimming, para-swimming or diving stars.

Good luck and have fun!

INTRODUCTION

In 2019 several members of the British Diving team whilst away on a training camp in Turkey decided to make a short video referencing a famous movie franchise - which was viewed millions of times online!

TASK ONE – SET OUR DIVING HEROES OFF ON AN EPIC ADVENTURE TO SAVE THE WORLD.

We want you to come up with a storyline fitting of Hollywood, taking our diving stars on a journey, where their powers to somersault, twist, tuck and more to lead them to victory.

Script it out on the comic strip storyboard below to bring the story to life!

1)	2)	3)
4)	5)	6)
7)	8)	9)
