I declare the above information is correct and undertake to observe the rules of the Organisation, which governs, swimming/water polo/diving/synchronised swimming/open water in the Country where I am currently competing and/or training.

As a registered member of a British Swimming affiliated club I wish to submit results from overseas competitions. These results must be sent in within 28 days of the competition.

British Swimming Note: Please could you inform Jane Smith, British Swimming Performance Administration Officer by email at jane.smith@swimming.org immediately (on the day of the test) if you are subject to an in-competition doping test. This is because if you are taking medication it may show up as a banned substance. In this case a Retroactive Therapeutic Use Exemption (TUE) form would need completing. The procedures are as follows:

RETROACTIVE PROCEDURE FOR A STANDARD TUE

Athletes have 10 working days to make a Retroactive TUE application to UK Anti-Doping following Doping Control (deadline can be extended but notification is required within 10 working days).

RETROACTIVE PROCEDURE FOR AN ASTHMA TUE

Athletes have 10 working days to notify UK Anti-Doping of the use of terbutaline following Doping Control. Once UK Anti-Doping are notified, a Retroactive Asthma TUE application will only be required in the event of an Adverse Analytical Finding being returned.

Data Protection

Swim England/British Swimming will use your personal data for the purpose of your involvement as an overseas member and I understand that by submitting this form, I am consenting to receiving information in relation to my overseas membership by post, email, SMS/MMS, online or phone unless stated otherwise.
