DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets online. Please agree with your coach which method you should use. To submit your dive sheets online there are two options:

- Either visit: www.diverecorder.co.uk/online sheets and follow the instructions, or
- If you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: www.diverecorder.co.uk/dive/android

As soon as you complete either online submission method, you will see a success/failure message. If you experience problems and need assistance please contact Jackie Laugher:

jackielaugher@yahoo.com

Electronic dive sheets must be submitted where possible. Electronic submissions must be made by 18:00 on Tuesday 9th April 2024. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders.

If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders at Plymouth Life Centre.

If manual dive sheets need to be submitted, submissions must be made by 2 hours before the Technical Meeting.

For late entries, please do not submit a dive sheet until the late entry has been submitted and processed.

General Competition Conditions for Swim England, Scottish Swimming and British Diving Competitions

1. Once a diver has competed in the British Elite Junior Diving Championships, British National Cup, British Championships or Scottish National & Open Championships in any event (including synchro) they are not eligible to compete at National Skills finals.

2. A diver who has competed at British Elite Junior Diving Championships is not eligible to compete at the Swim England National Age Group Championships or Scottish National Age Groups, unless moving up an age category and with written approval from the Diving Leadership group (SE) or Scottish National Diving committee.

Failure to comply with these conditions will result in disqualification.

Definitions

Competing/competed. Divers are considered to be competing or to have competed at a certain level if they entered the contest – even if they did not dive due to injury or illness.

For example, if a diver was entered for the GB Diving Championships, but did not dive due to injury they cannot compete at the Swim England Diving or Scottish National Age Group Championships.

International Entries

International Federation Team and International Club Team entries are welcome at the British Elite Junior Diving Championships 2024

- Two divers per international team may enter each competition. Teams may request to enter more than 2 divers in an event but only 2 divers per nation can go through to the finals.
- GB Teams have unlimited number of entries, but they should have achieved the recommended qualification standard in the preceding 12 months.
- The final will be made up of the top 8 British Divers
- Up to 4 international divers may proceed to the final, but only if they rank in the top 8 of the British Junior Elite preliminary event.
- A minimum of 8 British Divers will progress to the final.
- If more than 4 non British Divers place in the top 8 in the preliminary round, only the top 4 will progress to the final.

Athlete Competition Swimsuits

British Divers are required to either wear club costumes or costumes without national team branding. This applies to both GB National Team and International Team branded swim suits (example no international team costumes are permitted).

International divers may wear either their own national team kit or unbranded suits, but not GB National team swim suits.

PHOTOGRAPHY POLICY

British Swimming are well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within a British Swimming setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

British Swimming encourage all spectators and participants at British Swimming events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

BRITISH ELITE JUNIOR DIVING CHAMPIONSHIPS 2024

SANDWELL AQUATICS CENTRE

This event **will be photographed and live streamed**. Static images will be displayed on the British Swimming website www.britishswimming.org. They will be used to promote the sport at this event and events in the future. Moving images may be displayed at the venue and via live stream at www.britishswimming.org. In addition, British Swimming may use these recordings and images for the purposes of education and training, swimmer analysis, promotion, performance, development and selection and event analysis.

In such instances where the event is being live streamed, it will not be possible to provide the option to refuse consent to filming and if there are any concerns, please speak to the Event Officer present. However, if individuals wish to refuse consent to static photography, please complete the Photography Refusal of Consent Form below and return to British Swimming Events Department.

If you, as a Parent/Guardian/Carer, have concerns about your child being photographed/filmed, please refer to the relevant Home Nation guidance document: Wavepower the ASA Child Safeguarding Policy and Procedures; YPlant the Swim Wales Child Protection Policy; Scottish Swimming Child Protection Policy.
