WELCOME

Warm greetings from us all at Aquatics GB.

We are delighted to welcome you back to London for the Speedo Aquatics GB Swimming Championships 2024, an annual highlight on our domestic events calendar and one that showcases the best of the sport in this country.

It is absolutely fantastic to be back at the iconic London Aquatics Centre for this inaugural version of the Championships, which will see Olympic and Paralympic swimming event schedules running concurrently in the same programme across six days of action.

This is a crucial meet for those athletes looking to be selected for the GB team that will compete at this year's Olympics and Paralympics in Paris, France. Throughout this competition, we all have the opportunity to watch some of our reigning Paralympic and Olympic champions, multiple world medallists and world-record holders all compete alongside some of the up-and-coming athletes breaking on to the scene, with every single competitor on a start

list this week having reached this stage due to incredible commitment, talent and dedication, from themselves and their valuable support networks.

With this venue having had to host our British Swimming Selection Trials event behind closed doors in 2021, it will be truly special to see the stands packed out with fans once again – and I know you are all in for an amazing spectacle.

The best of luck to all competitors. We hope you relish the challenge of fierce competition and enjoy the support – just know that we are right behind each and every one of you.

Our thanks to our naming rights partner Speedo and to the London Aquatics Centre for hosting this event; to the workforce and volunteers who help to make this event happen; and to the outstanding support of our principal partner Speedo and the continued contribution from The National Lottery, Lottery players, Everyone Active, UK Sport, Lebara, Healthspan and SOS. Thank you.

FUKUOKA AND DOHA A WORLD CHAMPIONSHIP FLASHBACK

Thirty-three athletes, 15 medals, 16 days of competition, two continents and a pair of World Championships, all in the space of eight months.

Those are some of the key numbers that make up a unique run-in to this summer's Olympic Games in Paris for an Aquatics GB swimming team looking to build on a historic set of performances out in Tokyo in 2021.

But the statistics only tell half the story of two very different World Championship events, in Fukuoka last July and more recently in Doha, only seven weeks ago.

FUKUOKA 2023

Just as it was approximately 1,400km north-east in Tokyo two years previous, Britain's return to Japan for a global swimming competition saw the Men's 200m Freestyle and 4x200m Freestyle Relay events serve up a couple of golden highlights in the pool.

Matt Richards paced his race to perfection in the final of the individual 200m Freestyle contest to move into the lead in the final few metres and get the touch to become world champion for the very first time, with Tom Dean surging to the wall for silver in a historic Worlds one-two for the GB men.

The gap between Matt and Tom was a barely-believable 0.02s, even smaller than

the 0.04s that separated Tom from Duncan Scott when the two claimed gold and silver respectively at the Tokyo Olympics.

All three of those athletes combined as part of a victorious Men's 4x200m Freestyle Relay quartet in Fukuoka too, with James Guy completing a dominant foursome that controlled the race from lane four and emphasised their Olympic champion credentials, Joe Litchfield also becoming a world champion after his heats swim.

Remarkably, the Men's 200m Freestyle was not the only event to secure GB more than one medal in a single final, as Duncan and Tom both reached the Men's 200m Individual Medley podium.

Duncan matched his Olympic silver after putting together a well-measured performance across all four strokes to remain in the medal positions throughout, while Tom flew down the final 50m of freestyle to move through the positions and claim a brilliant bronze.

Elsewhere in the meet, there was a bronze medal for Lauren Cox in the Women's 50m Backstroke on her World Championship debut. In a stacked field of international sprinters, Lauren backed up strong showings in the 100m distance to show her speed down one lap and break on to the podium.

Ben Proud's continued class alongside the best in men's sprint freestyle was further underlined in Fukuoka as he followed up a historic year of world, European and

Commonwealth titles in 2022 with a bronze in the 50m Freestyle this time around, trusting his usual quality from the blocks to get him in a strong position and maintain it from there.

The eighth and final medal of the 2023 World Champs came in the Mixed 4x100m Freestyle Relay, the quartet of Anna Hopkin, Freya Anderson, Duncan Scott and Matt Richards serving up a European record on the way to bronze in this non-Olympic event. Strong contributions from Tom Dean, Jacob Whittle and Lucy Hope in the heats meant they also earned medals.

Just as with Doha a few months down the line (and more on that below), this World Championships was also about the opportunity to gain top-level arena experience a year out from Paris, particularly for those making their senior international debuts.

Alongside Lauren Cox, the likes of Oliver Morgan and Katie Shanahan produced a

string of eye-catching performances across their swims to ensure there was plenty of positivity around the whole team's performance heading into 2024.

DOHA 2024

And so into Olympic year, and the unusual presence of a World Championships just five-and-a-half months out from the Games.

Rather than the standout, benchmark competition of the year, February's Worlds in Doha was all about process and exactly what each British swimmer could get out of it, with ultimate focus on this week's Aquatics GB Swimming Championships and the chance to make it on to the Eurostar and the Olympic team. It was not a target meet, a fact illustrated by some athletes from several of the world's dominant swimming nations electing to stay away during important training blocks.

One primary target was to lock in Olympic

The Men's 4x200m Freestyle Relay team of, from left, James Guy, Matt Richards, Tom Dean and Duncan Scott

relay quota spots across every single eligible event - and following a professional job by the Men's 4x100m Freestyle team on day one, that ensured that Team GB have the chance to compete in every single relay event in Paris.

Relays also brought a couple of valuable pieces of silverware at the Aspire Dome, including a superb silver for Freya Colbert, Abbie Wood, Medi Harris and Lucy Hope in the Women's 4x200m Freestyle Relay, after a couple of Worlds podium near-misses for that team in recent years.

The Mixed 4x100m Medley Relay took bronze, meanwhile, with Medi, Adam Peaty, Matt Richards and Anna Hopkin delivering in the final, after important breaststroke and butterfly contributions in the heats from James Wilby and Duncan Scott respectively.

But the top step of the Doha World Championship podium was reserved for a couple of stunning individual efforts from British athletes in the week, as Laura Stephens powered her way to Women's 200m Butterfly victory, before a final-night flourish from Freya saw her to 400m Individual Medley triumph.

While the outcomes were the same, the method of delivery was contrasting. Laura surged into a big lead in her butterfly final, backing herself to hold on down a painful final 25m - and she did just that to become the first British woman since Rebecca Adlington in 2011 to win a world gold medal.

For Freya, her race plan saw her stay in contention for the lead throughout, before perfect timing over the final freestyle lap saw her move past the leading swimmer in the final 15m to take the touch and the gold.

That same night, the Men's 400m Individual Medley had also brought a medal for

GB, with Max Litchfield showing similarly strong pacing to play his part in a close battle with New Zealand's Lewis Clareburt all the way to the wall, before ultimately taking home the silver medal.

Earlier in the meet, Adam Peaty's return to the World Championship stage for the first time since 2019 brought with it a bronze medal in the 100m Breaststroke as he continues building towards his goal of becoming only the second man after Michael Phelps to win the same individual swimming title at three consecutive Olympic Games, while Ben Proud repeated his Fukuoka bronze result to make it three successive podium placings at World Champs in the Men's 50m Freestyle.

Ultimately, this event was about much more than medals, with every athlete in the thick of heavy training and looking to use each World Champs swim across the week as a stepping stone to the Aquatics GB Swimming Championships. Each performance showed what a great place the team was in at that stage of the season - and now all eyes will turn to the iconic London Aquatics Centre pool in front of you to see if they can deliver.

MANCHESTER MOMENTUM ROLLS INTO 2024

There is nothing quite like the roar of a home crowd - and at the 2023 Para Swimming World Championships, the spectators packed into the Manchester Aquatics Centre barely had chance to stop cheering British success across seven days of unmissable performances.

In total, a 28-strong GB team amassed 38 medals including 14 world titles, asserting themselves once again as one of the world's dominant forces in para-swimming on the eve of the Paralympic Games in Paris.

Among those to shine in Manchester was Ellie Challis, a consistent performer who enjoyed her best international outing to date by gathering three golds and six medals in total. Just to outline Ellie's versatility, her three world titles came across the Women's

SB2 50m Breaststroke, S3 50m Backstroke and S3 200m Freestyle events, while there were further silvers in the S3 50m and 100m Freestyle, plus a SM3 150m Individual Medley bronze thrown in for good measure.

Maisie Summers-Newton delivered yet again on the international stage, defending her titles in both the Women's SB6 100m Breaststroke and SM6 200m Individual Medley, her victory in the latter of those events again seeing her pull clear on the breaststroke leg before a dominant finish on the freestyle. Over more distance, the S6 400m Freestyle brought Maisie a silver to complete her triple-medal haul for the week as she builds towards the defence of her two Paralympic titles later this year.

At every turn in Manchester, there seemed to be British athletes with multiple medals round their neck. Poppy Maskill continued

Maisie Summers-Newton

her rise in the sport by winning five, including silvers in the Women's S14 100m Butterfly and 100m Backstroke, as well as playing her part in a world-title triumph for the Mixed S14 4x100m Freestyle Relay, alongside Jessica-Jane Applegate, William Ellard and Jordan Catchpole.

Stephen Clegg - targeting his third Paralympics in Paris - won gold in the Men's S12 100m Backstroke and backed that up with silver in the 100m Butterfly and 100m Freestyle, Alice Tai won a medal of each colour, including the Women's S8 100m Backstroke, Bethany Firth claimed a golden double in the S14 100m Backstroke and SM14 200m Individual Medley, while Faye Rogers' World Championship debut in a GB cap took her to a maiden world title in the S10 100m Butterfly, plus bronzes in the S10 400m Freestyle and SM10 200m Individual Medley.

Faye was not the only debutant to get her moment on the podium. As well as being part of that mixed freestyle relay success, William Ellard won silver in the individual S14 200m Freestyle and as part of the Mixed S14 4x100m Medley Relay, alongside Scott Quin, Poppy and Jessica-Jane. Georgia Sheffield (bronze - S14 100m Backstroke) and Rhys Darbey (silver - SM14 200m Individual Medley) also impressed to earn medals.

There were some incredibly tight races on show all week. Suzanna Hext's celebrations said it all as she got the touch for gold by 0.02s in a thrilling Women's S5 50m Freestyle contest, while it was GB all the way in a nip-and-tuck Women's S14 200m Freestyle event - Jessica-Jane Applegate ultimately won out, finishing ahead of compatriots Bethany Firth, who got silver, and bronze medallist Louise Fiddes.

Becky Redfern (gold - S13 100m Breaststroke), Grace Harvey (silver - SB5 100m Breaststroke), Toni Shaw (bronze - S9 400m Freestyle) and Sam Downie (bronze - S8 100m Backstroke) all also added to

Britain's impressive medal haul, which left them fifth in the medal table as the curtain came down on the 2023 season.

Since then, the 2024 campaign has brought some major performances in the lead-up to these Speedo Aquatics GB Swimming Championships in London across the opening events of the Para Swimming World Series, which functions with multi-classification racing, just as this week's competition will do.

The World Series dived into action in home waters as the Aberdeen Sports Village played host to the opening leg, William Ellard opening Britain's golden account on day one in the Men's MC 100m Freestyle, with Toni Shaw - in her home pool - Brock Whiston and Cameron Vearncombe also among those making the day one podium

Megan Neave's maiden World Series crown in the Women's MC 100m Backstroke was the headline on day two, before day three brought a MC 400m Freestyle podium shutout for the Brits as Toni led home fellow University of Aberdeen Performance Squad member Faye Rogers and Brock Whiston in a 1-2-3, with Louise Fiddes adding a further gold to Britain's World Series tally in the 200m event.

The Aberdeen showstopper came to a close with brilliant World Series titles for Faye and William in their respective MC 100m Butterfly events.

At the World Series event in Lignano, Italy (14th-17th March), Alice Tai and Olivia Newman-Baronius were multiple gold medal winners.

Alice claimed MC 100m Freestyle victory in a close race with fellow S8 swimmer Francesca Palazzo, before backing that up with MC 100m Backstroke gold, as Olivia joined her on the podium with bronze.

Earlier in the meet, Olivia set a new British record in the Women's S14 100m Butterfly

to the top the multi-classification ranking and take gold in that one, adding to her titles in the MC 100m Breaststroke and 200m Freestyle.

Tully Kearney and Ellie Challis achieved gold and silver respectively in the MC 50m Backstroke, Grace Harvey won 200m Freestyle bronze and SB7 athlete Iona Winnifrith set a new European record (subject to ratification) in the 50m Breaststroke, also lowering the 100m and 200m Breaststroke British records in her classification.

Preparations are now done, and every performance that went into all of those major competitions will have brought value and learnings for the athletes looking to make their mark in London this week, whether with the aim of qualifying for the Paralympic team or making further progress towards future events.

CHRIS SPIGE NOTES FROM THE PD

Welcome to the 2024 Speedo Aquatics GB Swimming Championships, which promise to bring excitement in so many ways over the next six days.

It is fitting that our first event under the new name of Aquatics GB brings together our para-swimming and swimming disciplines together in a fully-integrated heats and finals programme, with world-class athletes sure to provide some incredible racing across every single session.

This is the key selection meet for both our Olympic and Paralympic teams that will head to Paris in the summer, meaning that those in the pool will be doing everything they can to put themselves into contention to get on to the biggest stages that our sport offers.

We cannot wait to see what those athletes deliver this week, coming off the back of some outstanding performances at the recent Para Swimming World Series events in Aberdeen and Italy, and February's World Aquatics Championships in Doha.

That was a unique World Championships for our swimmers so close to British Championships and the Games, but every athlete used it in a professional and beneficial way to boost their preparation for this meet - and it was superb to see so many medal moments too, including Laura Stephens and Freya Colbert becoming world champions.

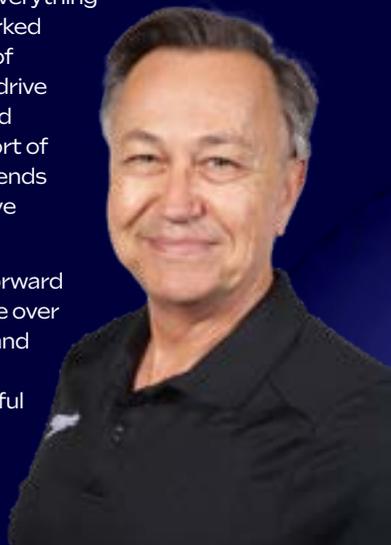

That competition, on top of last year's respective World Champs in Fukuoka, Japan and Manchester also reminded us just how competitive so many events are going to be over the course of the next few days, such is the strength in depth that we possess across our Aquatics GB athletes.

Among those, the multi-classification freestyle events, men's and women's backstroke contests, the 200m individual medleys, the men's MC 100m butterfly final and the men's 100m and 200m freestyle races all look set to go right down to the touch - particularly with people looking to break on to some strong relay teams across both the Paralympic and Olympic programmes.

For every supporter in the stands, and every single person watching on at home through the BBC or Channel 4, they are just a few among many moments that I urge you not to miss out on.

These Aquatics GB Swimming Championships also play a key role in the selection of junior teams for the 2024 seasons, as well as determining the British champion in each event and providing an opportunity for hundreds of dedicated athletes from across the country to race in this iconic London Aquatics Centre pool and put into practice everything that they have worked on through hours of commitment and drive in their training, and through the support of coaches, family, friends and their respective support networks.

I'm really looking forward to what lies in store over the next six days, and I wish everybody involved a successful meet. See you on poolside!

2024 OLYMPIC GAMES NOMINATION POLICY

2024 OLYMPIC GAMES

27TH JULY TO 4TH AUGUST 2024, PARIS, FRANCE

1. POLICY PURPOSE

1.1 This selection policy outlines the process to nominate the team to represent Great Britain at the 2024 Paris Olympic Games.

2. PERFORMANCE OBJECTIVES

2.1 The performance objective for this event is to optimise medal outcomes.

3. SELECTION TRIALS

3.1 Selections will be made from performances at the 2024 British Swimming Championships, London Aquatics Centre, London, 2nd-7th April 2024, subject to clause 5.4 and 5.6 below.

4. TEAM SIZE

- 4.1. Up to a maximum of 30 athletes will be nominated to the British Olympic Association (BOA) for selection to the 2024 Olympic Games. There is no obligation on British Swimming to nominate 30 athletes and the total team size will be determined by the Performance Director (PD) at his complete discretion.
- 4.2. Up to a maximum of two athletes per individual event and one relay team per event (providing an Olympic quota place has been secured) can be selected.

5. SELECTION PROCESS

5.1. The first place finisher in the open final of each individual event at the 2024 British Swimming Championships will be nominated for selection for that event, subject to the athlete recording a time that equals or better the nomination standard listed in

Table 1, in the open final of that event.

5.2. The first four finishers in the open finals of the 100m freestyle and 200m freestyle events will be nominated (if not already nominated under clause 5.1) if their collective time from the open final is equal to or better than the nomination standard listed in Table 1 for 4x100m and 4x200m freestyle relays, pursuant to clause 4.2.

5.3. The winner of the open final of the men's and women's 100m Backstroke, 100m Breaststroke, 100m Butterfly and 100m Freestyle will be ranked as a medley relay team on the basis of their combined open finals time against the times in Table 1. Subject to one swimmer winning more than one of the above events (100m Backstroke, 100m Breaststroke, 100m Butterfly and 100m Freestyle), in which case the PD may, at his complete discretion, use the time of the 2nd placed swimmer to create the fastest combined finals time for each medley relay. Athletes will be nominated (if not already via clauses 5.1 and 5.2) if their combined time is equal or better than the nomination standard listed in Table 1. In terms of the mixed medley relay, the fastest combination of the four 100m strokes in the open finals (two men plus two women) will be ranked against the time listed in Table 1 for the mixed medley. All nominations under this clause are pursuant to clause 4.2

5.4. Following the selection of athletes under 5.1, 5.2 and 5.3 additional nominations may be made at the complete discretion of the PD and the GB Head Coach. As well as other considerations, the PD and GB Head Coach may use performance against times listed in Table 1 as a guide to assist the exercise of

their discretion. In the event the PD and GB Head Coach are unable to agree then the PD's nomination decision shall be final.

- 5.5. The second place finisher in the open final of each individual event at the 2024 British Swimming Championships, if not selected under 5.1, 5.2, 5.3 or 5.4 will be considered for selection to the team, subject to the maximum numbers stated in Clauses 4.1 and 4.2, the event remaining open, and the athlete recording a time that equals or betters the nomination standard listed in Table 1 in the open final of that event. If needed, athletes will be ranked using their open final time, as a percentage away from Table 1 time with those ranked furthest inside getting priority for consideration to the team.
- 5.6. If further places remain (up to the maximum number of 30), the PD has complete discretion to make additional nominations, in accordance with clause 2.1, 4.1 and 4.2. Selection under clauses 5.2 and 5.3 does not guarantee any athlete a place in any specific event or relay.

6. SELECTION NOTIFICATIONS

- 6.1 Subject to clause 6.3, nomination for selection via 5.1 qualifies the athlete to swim in that event in the 2024 Olympic Games. Nomination for selection via 5.2, 5.3, 5.4, 5.5 and 5.6 nominates athletes for selection onto the 2024 Olympic team. The GB Head Coach in consultation with the PD will determine individual event entries.
- 6.2 All athletes nominated will be notified by email on or before 11th April 2024.
- 6.3 Athlete selection will be dependent upon ratification by the BOA.

6. NOTIFICATIONS PROCESS

6.1 Athletes will be nominated via the following stages, in priority order:

- (1) Medal potential for Paris 2024 Paralympic Games.
- (2) Discretionary nominations.

Medal potential for Paris 2024 Paralympic Games

6.2 Up to 20 athletes equaling or bettering the published BPS Qualifying Times (QT) set out in Table 1 at the Trials will be considered first for nomination by the Panel, subject to clause 5.1. Where the number of athletes achieving the QT exceeds 20 places, athletes will be ranked by percentage inside the QT.

Discretionary nominations

6.3 Up to 8 additional athletes may be nominated by the Panel, subject to clauses 2.1, 4.1, 4.2, 5.1 at the conclusion of the Trials.

Additional relay nominations

6.4 Where available places remain, and subject to clauses 5.1 and 5.3, the Panel will then consider athlete nominations to support ParalympicsGB's representation within relay events. Nominations for relay events will be made by the Panel and may include performances from any WPS-licensed competition since 1st September 2023.

Medal potential for LA 2028 Paralympic Games

6.5 Any remaining places, subject to clause 5.1 and 5.3, may be utilised by the Panel to nominate athletes who are deemed to have medal potential for the Los Angeles 2028 Paralympic Games.

Classification

6.6 In the event that a swimmer's classification changes between the point of nomination and Paris 2024 Paralympic Games, the Panel will automatically review their nomination and then reserves the right to retain or deselect the athlete depending the achievement of the MQS and sufficient places being available in events in their new class, subject to clauses 5.1 and G2.

If any member of the Great Britain Team that competed at the 2022 or 2023 Para Swimming World Championships cannot be seen for reclassification (due to availability of places) between 1st January 2024 and the start of the Trials, or the

outcome of their reclassification during this specified period is not complete (CNC), the Panel will refer to the classification outcome at their last international classification for the purposes of nomination under this policy.

These shall be agreed between the athlete, the named Home Programme Liaison and the athlete’s home programme coach. A series of physiological tests using physiological data may be used to monitor trainability. Athletes failing to maintain trainability, adherence to IAP or Performance Goals may result in non-nomination or denomination.

Times

- G6 Split times will not be considered.
- G7 Performances from time trials will not be considered with the exception of BPS team relay practices post nomination for final relay team consideration.

Team Commitments

In such circumstances the swimmer will be required to undertake a full medical examination by the British Para Swimming Chief Medical Officer (or designate). The British Para Swimming Chief Medical Officer (or designate) will refer his opinion to the Panel for decision also considering if, in their opinion, they pose a risk to themselves, other athletes or team staff. This may result in the team member being de-selected from the team.
- G14 Swimmers will be withdrawn from all additional events entered if any event(s) in which they have been selected for are withdrawn by WPS, unless they meet the criteria for an event in a higher classification as set out in G15 below.
